## Performance and Compliance Info

Performance Period: 10/1/10 to 9/30/11

Work Start Date: 

Expected Completion Date: Continuing

## Reporting Requirements:

As required by DOE O412.1, you will provide a minimum of one technical progress report, a final technical report at the termination of the work assignment, and an annual report of costs incurred in relation to authorization funding. Currently, the financial reporting requirement for the Standard Accounting and Reporting System (STARS) will support Headquarters' requirements for monitoring obligations and costs associated with this work authorization.

### Work Authorization Statement of Work

Ut porttitor dapibus enim. Suspendisse condimentum mollis ligula. Phasellus ac nulla quis risus tempus mollis.

### General Guidance

Funding distributed in the Approved Funding Program (AFP) reflects the Enacted Appropriation. Funding made available beginning October 1, 2009 was determined by allotments resulting from a Continuing Resolution until final action occurred on the Appropriations Act, 2011 (P.L. 111-85).

### Statement of Work Info

Performance Measures

Project/Funding History

AFP List

Attachments

**Work Authorization Performance Measures**

Performance measures show how this work authorization ties to underlying strategic themes and goals of the Department of Energy.

**Strategic Theme, Nuclear Security: Ensuring America's Nuclear Security**

1. *Nuclear Deterrent*: Transform the Nation's nuclear weapons stockpile and supporting infrastructure to be more responsive to the threats of the 21st Century.
2. *Weapons of Mass Destruction*: Prevent the acquisition of nuclear and radiological materials for use in weapons of mass destruction and in other acts of terrorism.
3. *Nuclear Propulsion Plants*: Provide safe, militarily-effective nuclear propulsion plants to the U.S. Navy.
